## Engineering Manager discusses Blueprint Storage Cabinets

Ron Forsythe is the very busy Engineering Manager in charge of plans for the city's buildings and roads.

*“Do to centralizing of our offices we have at least one of every filing system on the market; we have Flatfile Cabinets, Masterfile- Pinfile type cabinets and of course the **Ulrich Planfiles**. Of all of these the [Ulrich Planfile](#) is by far the easiest to use.*

*Besides being easy to use it keeps the plans in great shape I have used the [Ulrich Planfiles](#) for years and when we need additional [map or plan storage](#) we call Ulrich. We appreciate their friendly and efficient customer service,” says Ron.*

*“Ulrich cabinets keep our documents in great condition and are built to last; I recommend them to my colleagues.” - Ron Forsythe*
