

Art Poster Storage Solved

Ulrich Cadfile Provides Art Poster Storage Solution

Art Poster Storage became a problem for Wes Bossman, an art teacher for [Jamestown's CC Ring School](#). And Ulrich provided an art poster storage solution that saved time, space and money.

One of the keys to teaching young artists is to inspire them with the work of some of the worlds most famous artists! A great art teacher takes advantage of every opportunity to inspire. Wes Bossman has many, many art posters and art prints of amazing works of art that he uses to instruct and inspire his students.

He was challenged as to how to store these art posters and prints, while keeping them in great shape for many years of instruction. Mr. Bossman needs easy access to these stored art posters and art prints while not having them take up too much precious class room space.

The Ulrich Cadfile became the perfect poster storage cabinet for this art poster and print storage problem. The Ulrich Cadfile can provide art poster storage for 1,000 posters or prints up to 24" x 36". Poster storage can be even higher for smaller 18" x 24" art prints. At 18 x 24 inches this art poster storage cabinet can hold 2,000 posters.

Looking for art poster storage, art storage, poster racks, poster bins, poster box, the [Ulrich Cadfile](#) is the solution for you.
